## OUTREACH COMMUNITY CENTRE

## MORIAH SCHOOL OF DISCIPLESHIP

### THEME VERSE

**2 TIMOTHY 3:16-17**

*"All scripture is god-breathed and is useful for Teaching, Rebuking, Correcting and Training in Righteousness".*

## INTRODUCTION TO CAMP MORIAH

Moriah School of Discipleship was started by Outreach Community Church in the year 2013 as a discipleship center to cater for the growing need of disciplining students who graduate from high school. It produces young Christian leaders through a seven month training program every year beginning the month of January to July.

The key focus areas include;

- Discipleship & it's dynamics
- Practical Life Skills – Creative arts/farming
- Basic Bible/Theology courses
- Leadership Training
- World Missions & Field Exposure

### The objectives are;

- Understanding that Jesus gave the Church just one command; to make disciples who can make disciples.
- Make the definition of disciple clear and central.
- Follow the model Jesus used in disciple making

### Outcome

- Deeper understanding of Christian living and a commitment to Biblical discipleship.
- Servant leadership based on character and integrity.
- Understanding of the contemporary issues of leadership. Clarity of vocation.
- Commitment to excellence and hard work.
- Youth with a capacity to create employment and engage in income generating projects.

## OUR VISION

To raise a generation of young people equipped holistically through the word of God.

## OUR MISSION

We exist to nature through teaching, correcting and training so that young followers of Christ may be thoroughly equipped for every good work as they advance in their areas of calling and career development.

## CORE VALUES

Godliness.  
Commitment.  
Accountability.  
Integrity.  
Consistency.

## WHAT CAMP MORIAH IS NOT

1. A Bible School
2. A Rehabilitation centre
3. A Church
4. An alternative for short courses after Form 4

It is a Biblical Discipleship Program aimed at building a lifelong relationship journey with the Lord Jesus Christ based on Godly convictions.....Ezra 7:10

The four pillars upon which our curriculum and mantra is built.

The program will be geared towards helping the students build a foundational relationship with Jesus Christ. The relationship will be grown and nurtured through:

Knowing God as revealed fully in Jesus Christ, through the scripture, by the Holy Spirit and through fellow believers in the body of Christ.

Seeing the world as Jesus sees it; the people around us, those who are least evangelized, and our own situations.

Doing the will of God, as confirmed by the scripture, the spirit and the counsel of fellow believers.

Being in Christ daily, learning to rest and remain in Him, and to draw Life from Him.
